SYMBIOSIS CENTRE FOR MANAGEMENT STUDIES, NOIDA

Placement Report

2025-26

About SCMS NOIDA

SCMS NOIDA is a premier institution committed to fostering excellence in management education through innovation, academic flexibility, and experiential learning. The institute is distinguished by its Choice Based Credit System (CBCS), which enables students to customize their academic journey by choosing from a wide range of electives across diverse specializations. This approach ensures a holistic learning experience while allowing students to align their education with their individual interests and career aspirations.

The Corporate Affairs Cell

The Corporate Affairs Cell at SCMS NOIDA serves as a vital link between students and the corporate world, creating opportunities that support students' professional growth and career development. Dedicated to ensuring equitable access to career opportunities, the Cell actively engages with leading organizations and industry partners, strengthening their confidence in recruiting talent from the institute. To enhance industry readiness and practical learning, the Corporate Affairs Cell regularly conducts workshops, panel discussions, guest lectures, and webinars featuring accomplished professionals and industry experts.

About Placement Season 2025–26

SCMS NOIDA is proud to present the placement and internship achievements of its students during the 2025–26 placement season. This year witnessed strong participation from reputed organizations including **ICICI Bank, Culture Circle, DS Group, Justdial, The Times Group, VML Enterprise Solutions, NM Tronics, Clinikally**, and several other esteemed companies, reflecting the growing industry confidence in the talent and potential of our students.

Through the dedicated efforts of the Corporate Affairs Cell, students secured Final Placement offers as well as long-term internship opportunities across diverse functions and domains. These engagements have enabled students to gain valuable industry exposure, develop practical skills, and take meaningful steps toward their professional aspirations.

The successful collaborations between SCMS NOIDA and its corporate partners underscore the institute’s commitment to fostering industry readiness and career excellence. By bridging the gap between academia and industry, SCMS NOIDA continues to empower students with opportunities that prepare them to thrive in an evolving business landscape.
